Client Suitability, Investment Objective and Risk Profile Form

In order for us to offer our products to you, we need to have a reasonable basis. The information requested in this Client Risk Profile Questionnaire is one of the tools we use to establish a basis by which we offer a particular strategy/product to you. It is therefore important for you to complete this document as accurately and fully as possible. Failure to do so could result in you subscribing to a strategy/product that is not appropriate to your individual needs, circumstances and objectives. Please note that this questionnaire is not suited for holistic financial planning but is only used to offer you our strategy/product that we believe suits a particular investor risk profile.

Your Investment Risk Profile Levels

Investment risk refers to the level of volatility or fluctuation that a person is prepared to accept in investment returns - including the potential risk of loss of some capital in the short term, and the potential risk that retirement goals may not be met in the longer term. Volatility refers to the unpredictable upward and downward movements in investment values over a period of time.

Total							

Conservative	Score grid ≤ 10
---------------------	------------------------

You are an investor who is prepared to accept lower returns with lower levels of risk in order to preserve your capital. The negative effects of taxation and inflation will not be concern to you, provided your initial investment is protected.

Moderate	Score grid 11 - 25
-----------------	---------------------------

You are an investor who would like to invest in both income and growth assets. You will be comfortable with calculated risks to achieve good returns; however, you require an investment strategy that adequately deals with the effects of inflation and tax.

Balanced	Score grid 26 - 39
-----------------	---------------------------

You are an investor who is comfortable with a high volatility and high level of risk in order to achieve higher returns over long term. Your objective is to accumulate assets over long term by primarily investing in growth assets.

Aggressive	Score grid ≥ 40
-------------------	------------------------

You are an investor who is comfortable with a higher level of risk in order to achieve potentially higher returns. Capital security is secondary to potential wealth accumulation.

Note:- This Risk assessment framework is an attempt to categorise investor risk profile basis their downside risk appetite over a time period equal to or longer than one year.

DISCLOSURE OF SOLICITATION ARRANGEMENT

The following disclosures are provided to you in accordance with the provisions of Rule 206(4)-1 of the Investment Advisers Act of 1940:

[_____] (the "**Promoter/Channel Partner**") has entered into a written Solicitation Agreement (the "**Solicitation Agreement**") with Marcellus Investment Managers Private Limited (the "**Adviser**") to refer potential clients to the Adviser. The Promoter/Channel Partner **[is/is not]** a current client of the Adviser.

If you engage the Adviser as a result of the Promoter's /Channel Partner's efforts under the Solicitation Agreement, the Promoter/Channel Partner will be compensated by (i.e., receive a fee from) the Adviser for its services (the "**Compensation**"). The Compensation will be equal to [_____] % of the fees that the Adviser receives from you for managing the assets in your account till the time you stay invested in the Adviser.

As a result of this solicitation arrangement, if you decide to have assets managed by the Adviser under the fixed fee option and hybrid fee option, you will be charged higher fees than those customarily charged to the Adviser's clients for similar services to comparable accounts because of the Compensation that the Adviser will pay to the Promoter with respect to your account. The Promoter, due to the Compensation received, has an incentive to recommend the Adviser, resulting in a material conflict of interest.

ACKNOWLEDGEMENT:

The undersigned hereby acknowledge the receipt of the above disclosure of the arrangement involving the Adviser, and hereby consents to such relationship.
