I / We request you to please change the fee structure of my / our below mentioned account as per the above instructions.

I/We understand that this request can be implemented only once in a year / billing period i.e (March 31 or my/our account activation anniversary date (as the case may be) and will be effective from the next billing cycle starting from April 1 or the account activation anniversary date, as the case may be.

Name: First Applicant	Name: Second Applicant	Name: Third Applicant
		

**Notes: -**

- 1) All Signatures should match with the signatures on Account Opening documents.
- 2) Effective date of the new fee structure will be from T+2 days of receiving the request. Fee as per the old rate will be computed pro rata until T+1 day.
- 3) Timeline to process your request is T + 4 working days.
- 4) Please note that the Fee change request cannot be effected on the 1<sup>st</sup> or the last day of the month.
- 5) Please note the following scenarios in case of change of fee options from Fixed/Hybrid Fee to Performance Fee:
  - If you never selected Performance Fee before or you had been on the Performance Fee option (before your current Fixed/Hybrid Fee option) but no Performance Fee was ever charged to you, High Water Mark (HWM) will be Corpus Investment Value;
  - If you had been on Performance Fee option (before you selected the Fixed/Hybrid Fee) and Performance Fee was charged to you, your HWM will be the NAV at which the last Performance Fee was charged.
